MATTAPOISETT SETS TAX RATE

The Mattapoisett Board of Assessors today announced a tax rate of $30.00 per thousand valuation for the six month period of January 1 - June 30, 1974. The period is the final third of the 18-month transitional fiscal year.

Statement from Assessor John Gibbons

With the announcement of the $30.00 tax rate for the first six month period which is due within 30 days upon receipt of your bill I would like to add the following:

The $30.00 rate came about with the additional increase in valuation that the assessors raised. The expenses were fixed under the 18-month budget with the result the rate is lowered by 60¢ per thousand.

The fiscal law change is confusing but basically everyone will have a tax bill to pay every six months. The second half of the bills will be out sometime in August with a new rate and will be for a 12 month period. This bill can be paid in two payments, 1/2 not later than November 1st and the other half by May 1st, 1975.

At the moment a sizeable rate increase could be expected this summer and much depends on the money spent at the town meeting. The following will also initiate a rate increase:

1) The effect in expense on the new Vocational School will be felt this year as construction is about to start - $51,400. or $1.41 per thousand on the tax rate.

2) The operation of the current school system could raise the rate by $7.00 per thousand.

3) A substantial drop in new construction will reduce the valuation increase.

4) Reduced purchase of new automobiles will reduce the free cash.

5) Increased county assessment costs along with the State's failure to pay its obligations will have to be raised by real estate.

6) The Cherry Sheet figures should be less due to the following:

a) gasoline and fuel tax revenues are currently off by 30%.

b) high unemployment will reduce the income tax receipts from individuals.

c) loss and slowdown of Massachusetts industries will reduce the corporate tax revenue.

d) Welfare rolls are increasing at a rapid rate; therefore revenue formerly earmarked for the cities and towns will go to that cause.

e) The State House claims that there will not be an increase in State taxes this year (election year) which could be as long as the State passes its obligations on to the cities and towns to raise by taxation.

If these trends continue along with the doubling of prices on food, utilities, gasoline and fuel without consideration of the ability to pay we will all end up in camper trucks registered with a fixed excise rate of $66.00 per thousand with the valuation and taxes decreasing each year.

Mattapoisett Elementary School Budget

INCREASE IS $161,339.00 OVER LAST YEAR

Voters of Mattapoisett will attend a Special Town Meeting Thursday, March 28th, to consider an addition proposed for Old Hammondtown School. In this decision the overall costs of education must be considered seriously and it is well that voters have the elementary cost picture of today in mind in order to make a rational decision on further commitment for the homeowner.

The elementary school budget has increased in this one year from a total of $571,947.00 to $773,286.00. At present valuation of the town $34,000.00 represents $1.00 per thousand on the tax rate. This means that the regular budget increase alone represents a jump of $3.96 per thousand on the property tax. The Old Colony Vocational Technical School, still in the planning stage, will just start to make its impact felt. The $51,000.00 Old Colony budget (Mattapoisett's share) represents a $1.34 increase per thousand on the property tax. Add this to the Elementary school budget increase and the total is a $5.30 per thousand jump to which the town is already committed. A property owner with a home valued at $15,000 will pay $79.50 more this year. A $20,000 home will pay $106.00 more in property taxes.

If the town's citizens vote in favor of the Old Hammondtown addition, the initial impact in 1975 will be $1.34 per thousand for the construction and equipping of the building. This amount added to the new budget increase, $1.34 plus $5.30, will bring the property tax increase to $6.64 per thousand (You will note that this close to the $7.00 per thousand figure predicted as possible in Assessor John D. Gibbons' statement on Page 5.) This is subject to further increase depending on how heavy is the spending at the Annual Town Meeting. Another consideration will be the increased salaries and operating cost for the addition which must also reflect the rise. The big increases in the budget are in the area of teachers' salaries up $75,648.00 from $321,352.00 to $397,000.00 and in operating expenses

which will more than double from $60,150. in 1973 to $120,870 in the new budget. Both of these increases would have an effect on the estimated costs of operating the proposed addition. The Mattapoisett Finance Committee will no doubt reveal these revised estimates in the course of the special town meeting.

You will note that on Page 30 of this paper the Mattapoisett Elementary School budget is advertised to be available to the public at the Mattapoisett Public Library and at the Town Clerk's office at the Mattapoisett Town Hall, and a hearing on this budget July 1, 1974 to June 30, 1975 will be held

Special Town Meeting

The Special Town Meeting to consider and vote upon the Old Hammondtown addition will be held at Old Rochester Regional High School at 7:30 P.M. Thursday, March 28th.

Open Letter TO ALL RESIDENTS

The town of Mattapoisett, through the Selectmen and the School Committee, was asked to form a new School Needs Committee for the purpose of investigating the conditions in the schools and the growth factors inherent in the town. This committee started right from the beginning. They took nothing for granted and were in no way influenced by the findings of previous building committees. On the basis of the findings of this new committee, the town will once again be asked to consider an addition to the Old Hammondtown School.

All space at Old Hammondtown School is being used to its fullest; even the corridors.

The library, which should be the core of any educational facility, is being housed in a small storage room.

The elementary school population of the town in continuing to grow.

The Cafetorium is currently being used for art, music, gym and large group instruction, as well as serving lunch.

The next, and LAST available area for instruction is the stage in the cafetorium.

Because of lack of space, tutoring and small group instruction, in many cases, takes place in busy corridors in both schools.

Every room of the proposed addition will be used immediately upon completion.

The cost of construction has averaged an increase of 9% in the last eleven years and closer to 13% in the most recent years.

We could have used this addition 2 years ago, we need it today and in 2 years (when it will be completed) it will be mandatory.

This committee has hired new architects and, together with them, has come up with what we think is the simplest and least expensive way to provide the minimum space required for the current needs.

Depending upon the growth rate, an additional 4-6 years could be obtained by again "stealing" the special purpose rooms.

Based on the existing conditions in the schools, the constant growth of the town, the desire to continue and expand the much needed special services currently being provided and the economic folly of putting it off any longer, we strongly urge all voters to act favorably on the proposed addition to Old Hammondtown School at the Special Town Meeting on March 28th.

Petitions Ask Resignations

Having been completely rebuffed in two attempts to meet with Library Trustees the citizens of Mattapoisett are circulating petitions asking those officials to relinquish their seats on the Board of Library Trustees in favor of a Board willing to listen to and respond to the wishes of the townspeople. The petitions began circulating in Mattapoisett on Friday. It reads: "We the undersigned feel that the best interests of our community and our public library are not well served by the present board of trustees of the public library. quest the resignation of these present trustees."

The trustees: Richard L. Waterhouse, chairman; Dr. Manuel C. Rosenfield and Mrs. Agnes Berg were invited to an open meeting to discuss the resignation of librarian Mrs. Berthold (Pat) Putman and her assistant, Mrs. Joyce Kodis. The resignation of Mrs. Putman which dates back to December was never announced and did not become known until an ad was placed for a successor in the February 27th issue of this paper. A public meeting was arranged by Mrs. Robert Bennett to ascertain the reason for the resignation of Mrs. Putman who has done an excellent job and is widely appreciated. Nearly one hundred people attended the meeting which the trustees declined to attend because of too short notice. At the meeting the consensus was that the people not only did not want to lose the services of the librarian and her assistant but they did not express any enthusiasm or need for the physical changes proposed for the library to bring it up to State standards, and they wanted to know much more about the State aid which was applied for and obtained by the trustees this year.

A letter was prepared and sent to the trustees by the Friends of the Library requesting an evening meeting at their convenience within 2 weeks of the first meeting on March 13th to be held in a hall large enough to hold the public. The trustees replied in a March 20th advertisement that they had accepted the cancellation of the contract of the librarian expiring May 1, 1974 and stated "Further discussion of this matter during any public meeting of the trustees cannot be made".

They stated that all residents of the town would be invited to a public meeting to discuss the proposed changes, Articles 27 and 28 of the annual warrant, which will be held sometime in April.

State Aid Explained

In order to properly acquaint the public with the true facts relating to state aid to public libraries, the Board of Library Trustees has prepared an explanation of the state aid to libraries law, including a brief history, present status, and the benefits of this law to Mattapoisett. A copy of this report is posted on the bulletin board at Town Hall. Mimeographed copies may be obtained at the library or from any of the trustees.

Enoch Winslow Honored

ENOCH WINSLOW GUEST OF HONOR

Mr. Enoch LeBaron Winslow was the guest of honor as Mattapoisett officials, long-time friends and fellow workers honored him on the occasion of his retirement from 50 years of public service to Mattapoisett as assessor. The banquet took place in the conference room at the Town Hall.

Robert Silveira, chairman of the Mattapoisett Board of Selectmen, is shown presenting Mr. Winslow with a plaque and reading the resolution to him as follows:

WHEREAS, ENOCH LEBARON WINSLOW has retired after over fifty years of serving the Town of Mattapoisett successively as Road Commissioner, Wharf Commissioner and Assessor, having recently decided not to stand for re-election for the first time since 1927,

WHEREAS he possesses an unsurpassed knowledge of the Town's property and enjoys the confidence and respect of all his fellow citizens,

WHEREAS, he has participated in every facet of the Town's growth over the past half century, applying his experience, wisdom, and talents toward intelligent Town government,

WHEREAS, his guiding and steadying hand on the Assessors' helm served to insure a straight and even course through the many rocks and shoals of Town financing,

NOW THEREFORE, BE IT RESOLVED, that the Board of Selectmen, on behalf of the citizens of the Town of Mattapoisett, pays its highest respect to and expresses its sincere thanks to him for his long, dedicated, and unequaled service to the Town of Mattapoisett. His deep interest, unselfish service, and time and energies devoted to the Town are a great loss to the Town and are irreplaceable. His has been a service above and beyond the call of duty to the community which could be expected of any citizen. He will be sorely missed as the Town faces ever increasing growth problems.

Walter Apperson, assessor, spoke in tribute to Mr. Winslow, as did Bruce Rocha, newly elected to the Board of Assessors to fill the vacancy caused by his retirement. Mr. Winslow thanked everyone present for their participation, kind words and for the gifts which he said he would keep in his room and would look at often to recall the evening.

NOVELTY SHOOT

A Turkey Shoot will be held by the Sippican Rod and Gun Club on Sunday, March 31, from 1 to 4 P.M. The public is invited to this monthly event, where they may compete with 12, 16 and 20 gauge shotguns from the 40 yard line. The Club will provide guns to those who do not wish to use their own.

This month the Club will hold a 22 calibre rifle novelty shoot, along with the turkey shoot. The public is invited to bring their own rifles. Only iron sites will be allowed - no scopes.

The club grounds are located on Dexter Lane in Rochester. The kitchen will be open to serve refreshments. The Club has recently voted to expand its membership. Anyone wishing to join can obtain application forms at the Sippican Club this day.

Mattapoisett Grange

Mattapoisett Grange held a meeting last Thursday night. Due to the fact there was not a quorum of Mattapoisett members present, there could not be any voting. Manuel Roderick, the worthy master of Sippican Pomona, presided, with the worthy master, Mrs. Mildred LeBaron, at the piano. Several officers were absent due to illness: lecturer Kathy Buckley, treasurer Mary Beth Breton and Flora Ruby Barber, who is confined to her home on Fairhaven Road.

It is very pleasing that Past Master John Figueiredo has come back to the Grange. Honored guests present were the Pomona Master and Pomona Representative Paul Ouellette, past master of Pomona and present master of Rochester Grange.

It was announced that the Grange will be conducting a Rummage Sale Saturday, March 30th at 9 A.M. until 12 noon.

Susan LaFleur, Home and Community Service chairman, held a Penny Sale to start her working capital. She also was in charge of the social hour.

The next meeting, April 4th, the program is in charge of the agricultural chairman, Otto Kellish. Ladies are to bring in three sandwiches each.

Flea Market Saturday

ART CENTER KICKS OFF RESTORATION FUND DRIVE WITH FLEA MARKET

The Marion Art Center is housed in an historic old 1833 Universalist Church which desperately needs restoration and repairs. This includes major structural repairs and changes as well as cosmetic surgery to the interior.

The Marion Art Center helps the community by providing many services and entertainment, including plays and theater workshops, children's art and craft classes, adult classes and workshops, exhibits of art and craft, including one man shows of well-known and local artists, an annual scholarship and prize to local high school students, paintings and prints available for rent, and many special events such as concerts, lectures, and the ever-popular Sidewalk Show. All these are available to the whole community.

Now the Art Center needs YOUR help. A Restoration Fund Drive is beginning to raise the money for these much needed repairs. The first event in the Fund Drive is a Flea Market to be held at the Art Center on Pleasant Street, on Saturday, March 30, from 10 A.M. to 6 P.M. Here's your chance to do a spring cleaning and donate your unneeded

IT'S A CIRCUS EXTRAVAGANZA!!!

Jump on this year's auction bandwagon, be a part of the Channel 2 auction extravaganza for nine full days beginning May 31 and ending June 8.

Each year for the support of the educational network volunteers from all over Massachusetts become involved and go-getters representing Mattapoisett are now canvassing the town for donations in support of the auction. Businesses and individuals are being approached for merchandise or financial support in aid to the station.

Mattapoisett's captain this year is Mrs. Tina Holmgren of 6 Wildwood Terrace. Go-getters working with Mrs. Holmgren are: Jane Gorden, Vivian Smith, Sarah Brown, Bette-Jean Rocha and Dorothy Manny. Any type of donation is acceptable and any person who is not contacted and wishes to donate may get in touch with Mrs. Holmgren or any go-getter.

SO JOIN THE BANDWAGON! Let's support our only educational T.V. network and the excellent programming from Channel 2.

WINDOW DISPLAY

The Mattapoisett Horse 4-H is happy to announce that they had another prize-winning window display at the Old Hammondtown School recently. The title was "Our Solution to the Energy Crisis". The group also ran a very successful movie at the Junior High last Saturday and all the members contributed their time and efforts. The proceeds of this movie will help to put on an Open Horse Show to be held at Washburn Park in Marion on June 1.

HONOR ENOCH WINSLOW

The Selectmen prepared a certificate of appreciation in recognition of the long and outstanding service of Enoch LeBaron Winslow to the town of Mattapoisett. This certificate was read to Mr. Winslow by Chairman Robert Silveira at a testimonial banquet held last Friday night at Mattapoisett Town Hall.

FADING STICKERS

Some dump and beach bumper stickers are fading. The town is having some reprinted which will be ready in about 2 weeks.

DO AS STATE SAYS
NOT AS STATE DOES

The Selectmen's office has noted that the Boston Globe reported on March 17 that the Mass. DPW plans 52 twin pump filling stations for state vehicles estimated to save 12 to 15 cents per gallon on gasoline.

Last week's Presto quoted a March 17 letter from John H. Neely to George Hall in which Secretary Verani was quoted as advising the town of Mattapoisett to go to retail gasoline stations for gas rather than install a tank to supply town vehicles.

SPECIAL TOWN MEETING

A special town meeting is scheduled for 7:30 P.M. Thursday, March 28th, 1974, at Old Rochester Regional High School to consider and vote upon a proposed addition to Old Hammondtown Elementary School.

Letters to the Editor

THE OLD OR THE NEW

Up to 1964 the first Article in the Annual Town Warrant was to consider the report of the Town Officers and Committees. In the olden days Town Meeting came before Town election and this Article gave the voters a chance to question officials about decisions they had made and also gave officials a chance to defend these decisions. I think it is a much better Democratic process to have Town Meeting precede Town election by at least one day. Town Meeting is the one time the voters can be heard and should be heard. That is Democracy in its purest form and is slowly being killed because we allow it.

When Town Meeting was in Feburary, the Town Report was in the hands of the voters before February 1st with no full time help in the Town Hall. In 1954 the Town meeting was held on the first Monday in March and the Town Report containing 254 pages was in the hands of the voters prior to Town Meeting, and only two full time employees in the Town Hall.

HATS OFF TO ROCH. FIRE DEPARTMENT

I believe credit should go where it is due, and Rochester's Fire Department sure deserves a huge helping of this. Sunday, March 17th, I had the opportunity for the first time to watch these capable firemen in action. No sooner than the call was placed when the men and their trucks responded within minutes; "the men must be jet-propelled". Each man handled his job calmly and with precision - they went to great lengths not to cause any more damage to the Chase's home than was necessary in order to extinguish the fire in the fireplace and chimney. Rochester is most fortunate to have such dedicated men, and I think they are the best. Arnold Chadwick represented the Police Department very effectively.

when we must laborously consider pay increase guidelines or in wondering why we have had several department resignations in the past year.

I have, however, been exposed to a police officer who exemplifies public dedication and service on a year round basis. Especially on off duty time as one of my neighbors.

Bob Souza has provided me and my family with services beyond normal job expectations on numerous occasions most often at inappropriate times.

This consistent attitude toward lending a helpful hand has made me feel much more secure anytime of the day or night.

I wish to publicly extend my sincerest thanks to Bob and our police force as a whole, and hope others appreciate as I do their efforts in making Mattapoisett a safe enviable town in which to live.

Miss Wareham Pageant

SEEKS ELIGIBLE GIRLS

The Miss Wareham Scholarship Pageant which will take place on the evening of May 4 at the Gilbert D. Bristol Auditorium of Old Rochester Regional High School is being sponsored by the Scholarship Pageant Committee. On this night, the currently-reigning Miss Wareham, Janet Laine, will crown Miss Wareham 1974.

It is of importance to all interested candidates that the franchised area is realized -- eligible girls may compete from the following towns: Wareham, Marion, Mattapoisett, Carver, Rochester, Middleboro, Plymouth, Bridgewater, Kingston, Halifax, Plympton, Bourne and Sandwich. Young ladies between the ages of 18 and 28 and who have never been married may enter. All contestants will be eligible for scholarships to be used in pursuit of higher education, by competing in the following categories: evening gown and onstage interview, considering poise, grace, appearance, speaking ability and intellect; swimsuit and talent.

To apply directly, contestants may complete the following request for formal application, by mailing to: Scholarship Pageant Committee, P. O Box 266, Wareham, 02571.

MOSQUITO CONTROL INSPECTOR

The Mosquito Control Committee is interested in applicants for the position of mosquito control inspector. The inspector would have to be licensed by the state. This involves taking a simple test on the handling of insecticides.

The person will work with the county for a couple of weeks to learn to apply FLIT MLO and recognize perhatch areas. Then the inspector would work on his own, applying FLIT MLO and routinely checking problem areas.

This position requires approximately 30-35 hours a week and salary is paid on an hourly basis. If anyone is interested in applying or wishes additional information, please contact the Selectmen's office at 758-3758.

Swimnastics is a program of exercising while in the water and is a great way to get in shape while being in the swimming pool. A person does not have to know how to swim to get in the program. This program has babysitting for children between the ages of 10 months and 6 years for a small fee. Registrations are now being held at the YMCA front desk.

The New Bedford YMCA will be starting a new Tiny Tot program the week of April 1st. The parent orientation will be held on Monday, March 25th, from 7 to 8 P.M. for all parents who are new in the program. This is an 8-week program for children between the ages of 2 and 6 years of age accompanied by their mother or father. It is open to Y members and non-members for a small fee. Classes are held Monday or Wednesday morning from 9:30 to 10:30 or Wednesday afternoons from 1 to 2. Registrations are now being taken at the YMCA front desk.

The New Bedford YMCA will be starting an Infant Swim program April 5th. This will be an 8-week program for children between the ages of 6 months to 18 months of age. Classes will be held on Fridays from 11 to 11:30 A.M. The program is open to Y members and non-members for a small fee. One adult must accompany each child in the water. Registrations are now being taken at the YMCA front desk.

Elgart Orchestra at Ball

The Tobey Hospital Ball Committee announces the engagement of the Les and Larry Elgart Orchestra for their Springtime Ball to be held on April 27, 1974 at the Mass. Maritime Academy.

The orchestra recently won the Number One Spot conducted by the Associated Press. In person, the Elgart Orchestra lives up to its nomination. They manage to keep the dance floor crowded at all times with sensible tempos and nostalgic repertoire. Their most recent and successful engagement was at Longchamps famous Riverboat in New York.
